## **FOR YOUR PROGRAMS**

### **The “Artistic” Blurp**

In poetry her heart resides. Through music, reveals the lies. A society mistaken, mis-shaped and shaken, she stands strong. Alone on a stage with her brigade of tools; choices are her voice and guitar, with a beat from a box in her throat, and some scars. They propel her into musical bliss, don't miss this British Columbian mistress of song. For her words cut deep and the melodies are steeped in passion. She lets the jazz flow. Allows the blues to grow. Lets the funk free. Inspires us to see a new world for generations yet to be. When vulnerability meets strength and intention meets music, you will know you have found Tanya Lipscomb singing her heart out. [www.tanyalipscombmusic.com](http://www.tanyalipscombmusic.com)
